

# FINANCIAL AID PROGRAM

Each year Memorial Day School awards a limited amount of Need Based Financial Aid. To receive consideration for available funds it is important to comply with the following procedures:

- New students must have gone through the admissions process, been accepted and paid all required fees in order to apply for Financial Aid.
- Returning students must be registered and paid all required fees in order to apply for Financial Aid.
- The parents must complete the FACTS Financial Aid application online at [www.factstuitionaid.com](http://www.factstuitionaid.com) .They will require W-2's, IRS form 1040 and all supporting schedules in order to process your application.
- Once FACTS has finalized their report they will send it to the school at which time Memorial Day School's Finance Committee will review and make the offer. The offer will be contingent on the committee's findings and funds available. You will then be notified in writing from the school of your award.

It is our goal to help deserving families in whatever way we can, however, we can only honor one incentive program per family \*. Your cooperation in following the procedures outlined above will be greatly appreciated.
